Smartcat University Program

Smartcat University Program invites universities that want to gain more visibility in the educational field and provide cutting-edge technology to their translation students.

The aim of the Smartcat University Program is to empower your educational strategies through our ecosystem and create new insights for the students.

This document summarizes the minimum university program requirements, partner benefits, and how we can help you enhance your educational strategies.

Our team will assist you from preparing syllabi and exams to helping students be active in the Smartcat ecosystem.

What are the benefits of the Academic Program?

PROGRAM HIGHLIGHTS

- All Smartcat technology for free and without limits
- Video lectures and assistance in preparing translation automation curriculum
- Certificates for students and teachers who complete Smartcat training

FOR STUDENTS

- Use free CAT solution for home use and to help you prepare for classes
- Watch, participate and ask questions in interactive video lectures
- Stay in touch with Smartcat lecturers outside of lectures
- Use educational materials for practice
- Participate in actual commercial translation projects
- Be part of Smartcat's international multilingual projects
- Get professional experience as a translator before graduation
- Work by international companies after graduation
- Get certified for successful completion of Smartcat trainings

FOR TEACHERS

- Develop professionally
- Expand your educational program
- Use resources that will help you organize your teaching practice
- Get assistance in preparing the syllabus
- Host video lectures

FOR THE EDUCATIONAL INSTITUTION

- Add cutting-edge technologies to your institution's repertoire
- Get listed in the University Program section on our website
- Train personnel in a specialization that is in high demand in today's market
- Be part of Smartcat's international multilingual projects
- Optimize translation operations within your institution
- Stay up to date with the industry
- Be part of a broad network of universities and companies worldwide

SCIENTIFIC EDITORS

- Acquire a handy tool to translate articles for publication in international journals
- Learn how to use new technologies to improve translation quality

Requirements

- Have a dedicated lecturer who will be in contact with Smartcat.
- You agree that Smartcat will post an announcement of our partnership along with your institution's logo on Smartcat's blog and social media platforms.
- You will announce enrollment of your institution in the Smartcat University Program on the institution's blog and/or social media platforms.
